ABOUT GYNGER K. MILLER

With over 15 years of experience, Gynger K. Miller is a dedicated Support Coach, Registered Behavior Technician (RBT), and Case Manager passionate about helping individuals and families thrive.

Her work spans behavioral health, autism services, foster care, juvenile justice, disability services, and aging services. She partners with families, schools, courts, and community organizations to create individualized plans, build crucial life skills, and promote independence and well-being.

She brings a trauma-informed, strengths-based approach to every interaction—empowering individuals to reach their fullest potential and achieve lasting, positive change.

Gynger K. Miller
